PETITION FOR A TWO MONTH EXTENSION OF TIME AND  
RESPONSE UNDER 37 C.F.R. §1.112

Sir:

Applicant hereby petitions for a three month extension of time to respond to the office action mailed January 10, 2007. The Commissioner is authorized to charge attorney's deposit account 50-2041 (Whitham, Curtis, Christofferson & Cook) for any amounts required to grant this petition, and to gain entry of this response and a concurrently filed declaration of Richard Templar made under 37 C.F.R. §1.132.

The undersigned and applicant note with appreciation the withdrawal of prior rejections based on the previously filed declaration of David Anderson.

The sole issue remaining in the case is a rejection of claims 1, 3-19, 27, 29-44, 52, 53, 56, and 58-60 under 35 U.S.C. 112, first paragraph. This rejection is traversed in view of the concurrently filed declaration of Richard Templar which points out, with reference to pages and Example sections in the patent application, how the application provides sufficient information to enable one of ordinary skill in the art to make and/or use the invention as defined in the claims. Reconsideration and allowance of all pending claims in view of the declaration is requested.
